

The protocol at Macon Soccer Club for playing up is as follows:

1. Trainer and coaches seek permission from Director of Select Committee to invite a player to tryout for moving up
2. If the player involved is Academy aged, the Director of Select may defer to the Academy Director, if it is deemed that the Academy Director has more knowledge of the player.
3. Trainer and coaches invite a player to tryout in older age group
4. Player successfully completes tryouts and is invited to play up
5. Parental permission given/not for player to move up
6. If parental permission is given, the player must be completely willing to move up
7. Playing up should be a true exception to the rule and all circumstances evaluated
